REPORT OF PUBLIC HEALTH NURSE

Maine Department of Health and Welfare

Division of Public Health Nursing, Bureau of Health

Annual Report of Public Health Nursing Service

in Troy in the year of 1967

Public health nurses work as members of a health team to further community health. They utilize the philosophy, content and methods of both professional nursing and public health. Some recognized goals are promotion of health, improvement of conditions in social and physical environment, rehabilitation and prevention of illness and disability. Your public health nurse supported this type of program in your communty chiefly by home visits in the health interests of families and individuals. A school health program was planned and implemented. Infants and pre-school age children were offered examination and immunization at Unity Child Health Conference. This health service program was further strengthened by the assistance and cooperation of physicians, town officials, school personnel and volunteer workers.

Your nurse, a staff member of the Division of Public Health Nursing participated in a variety of activities as shown in Table 1.

Table 1

	Number of Times
Health Activity	Nurse Served
Individual visits to persons by age	197
Infant and pre-school, 0 to 5 years	69
School, 6 to 20 years	59
Adult, 21 to 64 years	25

Geriatric, 65 years and over	44

AUDITOR'S REPORT

TO THE INHABITANTS OF THE TOWN OF TROY:

In accordance with Chapter 90-A, Revised Statutes of 1954, and at the request of the town, this office, represented by George W. W. Shean, has made an examination of the accounts and records of the town officials for the year ended February 28, 1967 and of the revenue received and disbursements made for the municipal year then ended.

Our examination was made along the procedures set forth by the State Department of Audit and those recommended by the National Committee on Governmental Accounting. In our opinion the accompanying balance sheet and related statement of disbursements and receipts fairly present the position of the Town of Troy as of February 28, 1967.

This is to certify that this report is a true copy of the certified copy that is being mailed to the State Department of Audit as required under law, Section 145, Public Laws of 1954, and we hereby declare that this original and a copy are rendered to the Town of Troy.

Respectfully submitted,

George W. W. Shean

Municipal Auditor

Houlton, Maine -

COMMENTS

TOWN CLERK:

The Town Clerk's records that were related to our our audit were carefully reviewed and found to have been well kept, complete and in agreement with the records of other town officials.

The minutes of the annual town meeting were properly reviewed, and recorded. It was noted that the oaths of office for the various town officials were properly recorded.

The collection of dog taxes appeared to have been handled properly and all money so collected promptly forwarded to the State Treasurer.

TOWN TREASURER:

The cash book, check book and other records maintained by the Treasurer were carefully examined and found correct.

It was noted that money receipted for had been properly recorded and promptly deposited.

All disbursements had been made by check and the checking account had been reconciled each month with the bank statements. All payments had been correctly authorized by Selectmen's warrants.

TAX COLLECTOR:

The tax collector received a commitment of \$28,857..20 plus supplemental taxes of \$21.00. This was accounted for by cash to the Treasurer of \$28,512.00; abatements were granted amounting to \$74.20 and liens placed amounting to \$292.00 thus leaving no uncollected 1966 taxes.

ASSESSORS, SELECTMEN AND GENERAL:

The Assessors' 1965 Municipal Valuation books was examined and found to have been correctly handled. The method of describing the property taxed appeared to be proper and adequate. The Valuation book had been properly signed by all Assessors.

A summary of the Assessors' report will be found as part of Exhibit C of this audit report.

The books and records of the Town of Troy were found in good order and clearly set forth the financial transactions of the Town of Troy for the municipal year ending February 28, 1967.

We wish to thank the town officials who so kindly assisted us in preparing this audit.

ANNUAL REPORT OF TROY PLANNING BOARD

The Town of Troy Planning Board was organized a year ago when the voters acted at Town meeting to form the board and elected the four following members. Larry Cook, Marian Paton, Norman Heitman, Sr. and Bernhard Cook. Willis Howe was appointed by the Selectmen as the fifth member.

The first meeting was held on April 11 at the Troy school at 8 P. M. At this meeting Larry Cook was elected chairman and Marian Paton secretary. It was decided to hold regular meetings on the second Thursday of every month at 8 P. M.

Some of the problems and ideas that we have discussed at our meetings have been: a town dump, spring roadside cleanup, junk car removal, road signs, zening (principally concerning building safety codes), and the possibility of obtaining public lakeshore access.

In June we met in conjunction with the Selectmen and had as our guests Mr. Vance Dearborn, Public Affairs Specialist from the University of Maine and Mr. C. Herbert Annis, Waldo County Extension Agent. Mr. Dearborn works with planning boards throughout the state and was able to enlighten us as to our purposes and duties. He stressed that we should try to meet some of the problems that we can do something about. Some of the conditions we might study are: employment, housing, land use, public buildings, recreation, education, etc. He suggested that we as a planning board should work with other existing groups in the town. We should also work along with the selectmen and make suggestions to

them. Both he and Mr. Annis offered to give us a hand at any time to make plans or draw up ordinances.

During the year, Mr. Bernhard Cook submitted his resignation as a member of the Planning Board, Mr. Alfred Gabriel was appointed by the selectmen to fill the vacancy.

One project which we hope to see completed soon is that of putting road signs at the many intersections in town. The signs have been prepared, painted and lettered and will be ready to set out when the ground is suitable. This has been done in cooperation with the Town Forest Area Trustees.

We hope that in this first year we have been able to lay some ground work and that in each successive year the efforts of the Planning Board will be an asset to the community.

Respectfully submitted,

Larry Cook, Term Expires 1971

Marian Paton, Term Expires 1970

Norman Heitmann, Sr. Term expires 1969

Willis Howe, Term Expires 1971

REPORT OF STUDY OF PROPOSED

WASTE DISPOSAL AREA

During the past year the board of Selectmen, with assistance from the Planning Board and from other helpful citizens inspected and checked out many sites for a town dump — along with the two state agencies involved; these being soil conservation, pollution, and the state fire warden. Sites checked out were:

- 1. Murray lot off rte. 9;
- 2. Murray-Cook gravel pit;
- 3. N. Ward lot off rte. 9;
- 4. B. B. Cook lot off rte. 9;
- 5. B. B. Cook lot off Ward Hill Rd.;
- 6. Town (Norton) lot;
- 7. Van Stevens gravel pit;
- 8. C. Fernald lot;
- 9. A. Mitchell lot;
- 10. Town gravel pit (Rutland Rd.);
- 11. R. Ferguson lot;
- 12. Several other town and privately owned lots;

So far all sites were turned down because of one or more reasons except two which the owners will not sell and one which is currently under study. Also under study is the possibility of joining together with one or more neighboring towns in a joint disposal area. It is hoped by all concerned that a happy solution is soon forthcoming.

REPORT OF PUBLIC HEALTH NURSE

Maine Department of Health and Welfare
Division of Public Health Nursing, Bureau of Health
Annual Report of Public Health Nursing Service
In Troy in the Year of 1968

Your public health nurse, a member of the staff of the Division of Public Health Nursing, submits her report of nursing services given to individuals, families, and community groups in Troy, during the year 1968. Referrals for these services were received from individuals, families, physicians, school personnel, health committee members and various other sources. The types of health problems varied; the services provided, therefore, varied in accordance to the need for them. They included nursing care of sick and handicapped patients, health supervision, and, in some instances, consultation.

A total of 120 visits were made to persons in their homes. Forty-three conferences were held with physicians, school personnel, town officials, social workers and health committee members in behalf of individual patients or health programs.

Infants and pre-school age children, not under the supervision of a private physician, were invited to attend child health conferences in Unity, at which, physical examinations and immunizations for measles, polio, small-pox, diphtheria-tetanus and whooping cough were given by Edmund Ervin, M. D. The nurse discussed the child's health with the parents.

Your nurse gave consultation to school personnel, regarding individual students. She assisted in the planning and management of the school health program,

which includes visual and auditory testing, tuberculin skin testing and physical examinations in selected grades, and immunization clinics. Students needing immunizations, received this service at Mt. View immunization clinic, by Harrison Aldrich, D.O. Your nurse was present at registration of entering school children, at which, the school health program and health of the child was discussed with the parents.

Several children from Troy were enrolled in the Head Start Program at Unity. Your nurse assisted at the physical examination of these students by Peter Holz, M. D., and tuberculin skin testing by Alta Ashley, M. D., District III Health Officer. Immunization of these children was done at Unity child health conferences by Edmund Ervin, M. D.

Your nurse assisted patients and families to carry on the regime of care prescribed by their physician.

Appreciation is extended to volunteer workers for their interest and cooperation and to the community for their support of the program.

Respectfully submitted,

CONSTANCE B. ALLEN, R. N.

Public Health Nurse

AUDITOR'S REPORT

TO THE INHABITANTS OF THE TOWN OF TROY:

In accordance with Chapter 90-A, Revised Statutes of 1954, and at the request of the town, this office, represented by George W. W. Shean, has made an examination of the accounts and records of the town officials for the year ended February 29, 1968 and of the revenue received and disbursements made for the municipal year then ended.

Our examination was made along the procedures set forth by the State Department of Audit and those recommended by the National Committee on Governmental Accounting. In our opinion the accompanying balance sheet and related statement of disbursements and receipts fairly present the position of the Town of Troy as of February 29, 1968.

This is to certify that this report is a true copy of the certified copy that is being mailed to the State Department of Audit as required under law, Section 145, Public Laws of 1954, and we hereby declare that this original and a copy are rendered to the Town of Troy.

Respectfully submitted,

George W. W. Shean

Municipal Auditor

Houlton, Maine February 24, 1969.

COMMENTS

TOWN CLERK:

The Town Clerk's records that were related to our audit were carefully reviewed and found to have been well kept, complete and in agreement with the records of other town officials.

The minutes of the annual town meeting were properly reviewed, and recorded. It was noted that the oaths of office for the various town officials were properly recorded.

The collection of dog taxes appeared to have been handled properly and all money so collected promptly forwarded to the State Treasurer.

TOWN TREASURER:

The cash book, check book and other records maintained by the Treasurer were carefully examined and found correct.

It was noted that money receipted for had been properly recorded and promptly deposited.

All disbursements had been made by check and the checking account had been reconciled each month with the bank statements. All payment had been promptly authorized by the Selectmen's warrants.

TAX COLLECTOR:

The tax collector received a commitment of \$34,697..23 plus supplemental taxes of \$3.00. This was accounted for by cash to the Treasurer of \$34,281.50; abatements were granted amounting to \$13.92 and liens placed amounting to \$404.81 thus leaving no uncollected 1967 taxes.

ASSESSORS, SELECTMEN AND GENERAL:

The Assessors Valuation book was examined and found to have been correctly handled. The method of describing the property taxed appeared to be proper and adequate. The Valuation book had been properly signed by all Assessors.

A summary of the Assessors' report will be found as part of Exhibit C of this audit report.

The books and records of the Town of Troy were found in good order and clearly set forth the financial transactions of the Town of Troy for the municipal year ending February 29, 1968.

We wish to thank the town officials who so kindly assisted us in preparing this audit.
